

**NOTICE OF EMERGENCY CHANGES
TO THE 2011-2012 UTAH WATERFOWL GUIDEBOOK
ESTABLISHED BY THE WILDLIFE BOARD
FOR TAKING WATERFOWL**

I, James F. Karpowitz, by authority granted in Utah Code Section 23-14-8, declare an emergency amendment to the 2011-2012 Utah Waterfowl Guidebook. The following has been amended:

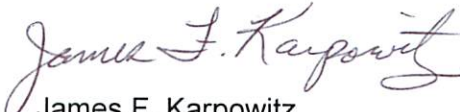

LIGHT GOOSE (snow, blue and Ross') **SEASON**

- CLOSED September 17, 2011 (Youth Waterfowl Hunting Day)

The Division erroneously identified a longer light goose season than allowed by federal framework. This one day closure, to bring the Division into compliance, was selected because the possibility of harvesting a light goose in Utah in September is rare.

Except for other emergency changes made since January 1, 2011 all other rules established in the 2011-2012 Waterfowl Guidebook remain in effect.
